

Danese Rexroad

Nurse Practitioner

Injectables are back with a purpose.

Beyond Beaute' is delighted to welcome Danese Rexroad to administer Botox, Radiesse, Juvederm, Defyne, Refyne and Restylane services. She is an extension of Dr. Shitel D. Patel's Practice, Lift Plastic Surgery.

Danese is a native Texan who began her nursing career in the Emergency Room in 1999. After a few years, she opted to learn a different type of nursing skill and moved to the operating room. She's enjoyed Perioperative Nursing since, but recently added Nurse Practitioner to her title. With over 17 years of experience and 14 years in and around Plastic Surgery, Danese feels she's truly found her calling.

She's been married to her best friend, Jeff, for seven years. They share two kids, an exchange student, two exotic Bengal cats, a dog and mutual love for Martial Arts. Danese opened her own Taekwondo School when she was just 19, allowing her to pay her way through school. Her husband is a retired MMA fighter and a current HPD officer.

A percentage of all proceeds made by this partnership will go toward the Uplift Pediatric Foundation. This non-profit founded by the Lift Plastic Surgery team, help children in need of Craniofacial procedures. They hope to never turn a child in need away.
